BY-LAW NO. _____

A By-law to regulate the use of land, and the character, location and use of buildings and structures in the Town of Marathon.

WHEREAS the Council of The Corporation of the Town of Marathon deems it necessary in the public interest to pass a restricted area by-law in order to regulate the use of land and the erection and use of buildings and structures;

AND WHEREAS authority is granted under Section 34 of the Planning Act, R.S.O., 1990, subject to the approval of the Ontario Municipal Board, to pass this By-law;

AND WHEREAS the Council of the Corporation of the Town of Marathon has adopted an Official Plan for the municipality which has been approved by the Minister of Municipal Affairs and Housing, Council deems it advisable to implement the Official Plan of the Town of Marathon;

NOW THEREFORE the Council of the Corporation of the Town of Marathon ENACTS AS FOLLOWS:

SECTION 1 - INTERPRETATION AND ADMINISTRATION

1.1 Title

This By-law shall be known as the "Zoning By-law" of the Corporation of the Town of Marathon.

1.2 Application

The provisions of this By-law shall apply to all lands within the boundaries of the Municipality as now or hereafter are legally constituted.

1.3 Scope

No lands shall be used and no buildings or structures shall be erected, altered, enlarged or used within the Town of Marathon except in conformity with the provisions of this By-law.

1.4 Minimum Requirements

In interpreting and applying the provisions of this By-law, they are held to be the minimum requirements for the promotion of the health, safety, comfort, convenience, and general welfare of the inhabitants of the Municipality.

1.5 Meaning of Use

Unless the context otherwise requires, the expressions "use" or "to use" in this By-law include anything done or permitted by the owner or occupant of any land or buildings, directly or indirectly or by or through any trustee, tenant, servant, or agent, acting for, or with the knowledge or consent of such owner or occupant, for the purpose of making use of the said land or building.

1.6 Meaning of Shall

In this By-law, the word "shall" shall always be construed as mandatory.

1.7 Number and Gender

In this By-law, unless the contrary intention appears, words imparting the singular number or the masculine gender only shall include more persons, parties, or things of the same kind than one, and females as well as males, and the converse.

1.8 Administration

This By-law shall be administered by the Chief Building Official and/or such other persons or persons as the Council of the Town of Marathon designates.

1.9 Licenses and Permits

No person shall be entitled to a municipal permit, certificate, or license where the said permit is required for a proposed use of land or a proposed erection, alteration, enlargement or use of any building or structure that is in violation of any provisions of this By-law.

1.10 Building to be Moved

No building, residential or otherwise, shall be moved within the limits of the Municipality or shall be moved into the Municipality from outside, without a permit from the Chief Building Official.

1.11 Repeal of Existing By-laws

From the coming into force of this By-law, all previous by-laws passed under Section 34 of the Planning Act, or a predecessor thereof, shall be deemed to have been repealed except to the extent that any of the said by-laws prohibits the use of any land, building or structure for a purpose that is also prohibited by this By-law.

1.12 Application of Other By-laws

Nothing in this By-law shall serve to relieve any person from the obligation to comply with the requirements of any By-law of the Municipality, in force from time to time, or the obligation to obtain any license, permit, authority or approval required under any By-law of the Municipality.

1.13 Validity

Should any section, clause or provision of this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the By-law shall not be affected.

1.14 Violations and Penalties

- a) Every person who uses any lot, or erects or uses any building or structure or any part of any lot, building or structure, in a manner contrary to any requirement of this By-law, or who causes or permits such use or erection, or who contravenes any provision of this By-law or causes or permits a contravention, shall be guilty of an offence and upon conviction therefore, shall be liable:
 - i) on a first conviction to a fine of not more than \$25,000; and
 - ii) on a subsequent conviction to a fine of not more than \$10,000 from each day or part thereof upon which the contravention has continued after the day on which the conviction was first made.
- b) Where a corporation is convicted under Section 1.14(a) of this By-law, the maximum penalty that may be imposed is:
 - i) on a first conviction, a fine of not more than \$50,000; and
 - ii) on a subsequent conviction, a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.
- c) Every such penalty as set out in Section 1.14 of this By-law shall be recoverable under the Section 67 of the Planning Act, and/or the Provincial Offenses Act and/or any other legislation applicable.

1.15 Remedies

In case any buildings or structure or any part thereof is to be erected, altered, reconstructed or extended, or any lot is being used or is to be used, in contravention of any requirement of this By-law, such contravention may be restrained by action at the instance of any rate-payer or of the Municipality, pursuant to the provisions of the Planning Act, and/or the Municipal Act and/or any other legislation applicable.

SECTION 2 - DEFINITIONS

For the purpose of this By-law, the definitions and interpretations given herein shall govern.

- i) a public election list or government proclamation, any sign or notice of the Provincial or Municipal government, or any other sign or notice contemplated by statute for the promotion of the public interest;
- j) a watermain, sewer main, or gasmain maintained by the appropriate authority;
- k) a retaining wall for decorative, landscaping or bank stability purposes.

4.7 Corner Lot Sight Restrictions

Notwithstanding any other provisions of this By-law, and except in a Commercial Zone on a corner lot, within the triangular space included between the street lines for a distance of 6 metres from the point of intersection, no building or structure including a fence or sign shall be erected and no shrubs or foliage shall be planted or maintained which obstruct the view of a driver or a vehicle approaching intersection.

4.8 Dangerous Uses

No land, building or structure shall be used in the Town for the industrial manufacture or distribution of coal oil, rock oil, fuel oil, burning fluid gas, naphtha, benzene, gasoline, dynamite, dualene, nitroglycerine, gunpowder, petroleum products or other combustible or inflammable or liquid material which is likely to create danger to health, or danger from fire or explosion except as otherwise specifically provided for in this By-law.

4.9 Existing Lots

An existing lot, having less than minimum frontage or lot area required by this By-law, may be developed for all uses in the appropriate zone, provided all other regulations of this By-law are satisfied; and

- a) such lots can be serviced by public water supply and public sanitary sewer services, or alternatively can be safely serviced by private individual water and sanitary services in accordance with the requirements of the Health Unit; and
- b) such lots have a minimum frontage of 7.5 metres on a publically maintained year round open road.

4.10 Fences

Fences are permitted in all zones subject to any corner lot sight restrictions and the following:

- a) in any Residential zone, fences in the required front yard shall not exceed 1.2 metres in height, except that privacy fencing to a maximum of 2.0 metres for semi-detached dwellings may be permitted in a required front yard provided that it is located along the common lot line separating the 2 attached units, it does not exceed 3.0 metres in length and it is not closer than 5.0 metres to the front lot line. In any Residential zone, fences in a required side yard or rear yard shall not exceed 2.0 metres in height. When a driveway intersects a side or rear lot line which abuts

- a street, no fence shall be located within 5.0 metres of the lot line abutting the street.
- b) in all other zones, fences in a required front yard shall not exceed 1.0 metre in height.

4.11 Greater Restrictions to Apply

Where regulations or requirements of any government agency impose greater restrictions for any use, building or structure than the restrictions imposed by this By-law, then such greater restrictions shall apply to such use, building or structure.

4.12 Group Homes and Crisis Residence

A group home, licensed by the appropriate Provincial Ministry and crisis residence that is licenced or funded by the Province or other government agency, or combination thereof, shall be permitted within any single detached dwelling, a semi-detached or duplex dwelling, subject to the requirements of this subsection:

- a) a group home and crisis residence shall have a maximum of 5 residents, excluding staff or receiving family;
- b) a group home and crisis residence shall have 23 square metres of common habitable area and not less than 7 square metres of habitable area for each resident, exclusive of staff or receiving family; and
- c) save as hereinafter provided, a group home and crisis residence shall not be within 350 metres of another group home or crisis residence.

4.13 Height Exceptions

The height regulations shall not apply to any ornamental dome, chimney, communications tower, power transmission tower, storage silo, barn, cupola, steeple, church spire, water storage tank, elevator enclosure, flag pole, television or radio antennae, grain elevator, mine headframe, windmill or weather monitoring device.

4.14 Home Occupations and Home Professions

Where a home occupation or home profession is permitted in a particular zone, it shall:

- a) not change the character of the dwelling as a private residence or create or become a nuisance;
- b) have at least one permanent resident of the dwelling unit engaged in the business;
- c) shall not compete with an existing business in the commercial areas of the Town;
- d) shall be licenced in accordance the Business Licence By-law of the Town;
- e) have no external display or advertisement;
- f) have no external storage of materials, containers, finished products, or equipment associated with the home occupation or home profession on the lot;
- g) have no parking of trucks or commercial vehicles associated with the home occupation or home profession on the lot;
- h) the home occupation or home profession shall be wholly confined to the dwelling

- unit and not occupy more than 25% of the floor area of the dwelling unit including the floor area of any basement area used as living quarters and any basement area used for the home occupation or home profession;
- i) there shall be no goods, wares, or merchandise other than those produced on the premises, offered or exposed for sale or rent on such premises;
 - j) access approval from the Ministry of Transportation will be required for those home occupations that front onto a Provincial highway;
 - k) shall meet the requirements of any other regulatory agency or licencing body; and
 - l) have not more than one person employed, including a contractor, who is not a permanent resident of the dwelling unit.

4.15 Land Without Buildings

Where land is used for or in connection with any use, but without any buildings or structures therein, all yards required by the By-law on a lot in the respective use zone shall be provided and maintained as yards and the applicable regulations shall apply, except where the land or lot is used for gardening or open space purposes not prohibited by this By-law in such use zone.

4.16 Loading Spaces

No person shall erect or use any building or structure in any Commercial or Industrial Zone which involves the movement of goods, merchandise or materials, unless loading spaces are provided and maintained in accordance with the following provisions:

- a) one loading space shall be provided for each 280 m² or fraction thereof of the total floor area;
- b) loading spaces shall have dimensions not less than 3.0 metres by 7.5 metres; and
- c) loading spaces shall not have less than 4.5 metres of vertical clearance.

4.17 Loading Spaces Standards

Where in this By-law, loading spaces are required or permitted, the following standards shall apply:

- a) adequate driveway space to permit the safe manoeuvring, loading and unloading of vehicles on the lot such that they do not cause an obstruction or a hazardous condition on adjacent streets, properties or sidewalks;
- b) adequate drainage facilities in accordance with the requirements of the Town;
- c) illumination of loading spaces shall be so arranged as to be diverted away from any adjacent Residential, Institutional or Open Space Zone;
- d) the location of loading spaces to be restricted to the rear yard where a lot has access at both the front and rear to a street or road; and
- e) loading spaces and approaches shall be surfaced with concrete, asphalt, crushed stone, gravel or a combination thereof with a stable surface treated to prevent the raising of dust or loose particles.

4.18 Lots with More than One Zone

Where a lot is divided into more than one zone, each such portion of said lot shall be considered separately for the purposes of determining zone provisions such as permitted uses, lot area, setbacks, building height, etc. and each such portion shall conform to the provisions of the appropriate zone, but no lot shall have more than 1 dwelling on the whole except as specifically provided in this By-law.

4.19 Main Buildings on a Lot

No person shall erect more than 1 dwelling unit on a lot unless specifically allowed in a zone. No person shall erect more than 1 main building on a lot except for:

- a) commercial and industrial buildings located in commercial and industrial zones; and
- b) farm related buildings located on an active farm.

4.20 Mobile Homes

Mobile homes shall only be permitted where specifically listed as permitted within a particular zone. An addition may be permitted to a mobile home up to 25% of the original floor area of the mobile home, provided the addition complies with lot coverage requirements of the particular zone in which the mobile home is located.

4.21 Non-Compliance with Minimum Lot or Yard Requirements

Where an existing building is located on a lot having less than the minimum frontage or area required by this By-law, or having less than the minimum front yard, side yard, or rear yard required by this By-law, the said building may be enlarged, reconstructed, repaired or renovated provided that:

- a) the enlargement, reconstruction, repair or renovation does not further reduce the front yard, side yard, or rear yard to which it does not comply; and
- b) all other applicable provisions of this By-law are complied with.

4.22 Non-Conforming Uses

The provisions of this By-law shall not apply or prevent:

- a) the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this by-law providing such use has been continuous since that date. A use is deemed to be continuous if having ceased for any reason, the use is re-established within 1 year;
- b) the use for any purpose prohibited by this By-law of any building or structures the plans for which have, prior to the date of the passing of the By-law, been approved by the Chief Building Official so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the erection of such building or structure is commenced within 6 months after the date of the passing of the By-law, and such building or structure is

- completed forthwith after the erection thereof is commenced;
- c) the reconstruction of any existing legal non-conforming building or structure that is substantially damaged or destroyed by causes beyond the control of the owner provided that the dimensions of the original building or structure are not increased and the use of the building or structure is not changed, however any building or structure that sustains damage greater than 75% of its value must be reconstructed to conform to the By-law; or
- d) the strengthening or restoration to a safe condition of any existing legal non-conforming building or structure provided the improvements are located within the perimeter of the existing non-conforming building or structure.

4.23 Obnoxious Uses

Nothing in this By-law shall be construed to permit the use of land for the erection or use of a building or structure for any purpose:

- a) that is or is likely to become a nuisance or offensive:
 - i) by the creation of noise or vibrations; or
 - ii) by reason of the emission of gas, fumes, dust or objectionable odour; or
 - iii) by reason of the unsightly storage of goods, wares, merchandise, salvage, refuse matter or other such material; and
- b) which by the nature of the materials used therein is declared under the Public Health Act, as amended or revised, or any regulations thereunder to be a noxious or offensive trade, business or manufacture.

4.24 Occupancy of Partially Completed Buildings

No new building, except in the case of an apartment building, shall be occupied before the main walls and roof have been erected and the external siding and roofing have been completed, water and sanitary services are installed, kitchen and heating facilities have been installed and an occupancy permit has been issued by the Chief Building Official. Any dwelling unit in an apartment building may be occupied, provided that all of the above conditions are satisfied, notwithstanding that one or more of the dwelling units have not been completed.

4.25 Parking Areas Standards

Where in this By-law parking areas designed for 4 or more vehicles are required or permitted:

- a) adequate drainage facilities shall be provided and maintained in accordance with the requirements of the Town;
- b) the parking area and approaches shall be surfaced with concrete, asphalt, crushed stone, gravel or a combination thereof;
- c) the lights used for illumination of parking areas shall be so arranged and located as to divert the light away from adjacent lots and directed on the parking area;
- d) parking areas shall be within 90.0 metres of the location which it is intended to serve and shall be situated in the same zone;
- e) each parking space shall be 2.8 metres by 6.0 metres and shall be provided with

- f) unobstructed access to a street by a driveway, aisle or lane; and a strip of buffer strip of land not less than 3.0 metres wide lying within the lot in which the parking area is located and along the boundaries of the parking area, shall be used for landscaping, excluding those areas used as entrances and exits.

4.26 Parking for the Handicapped

Handicapped parking spaces shall be a minimum of 3.7 metres wide and the minimum number required to be provided shall be as follows:

TOTAL NUMBER OF PARKING SPACES	REQUIRED NUMBER OF HANDICAPPED SPACES
0-9	0
10-99	1

4.29 Permitted Public Uses

Notwithstanding anything else in this By-law, the provisions of this By-law shall not apply to the use of any land or to the erection or use of any building or structure by any public authority provided that:

- a) the lot coverage, setback and yard requirements prescribed for the zone in which such land, building or structure is located are complied with, except electric power facilities;
- b) no goods, material, or equipment are stored in the open in a residential zone, or within 60.0 metres of a residential zone;
- c) any building erected in a residential zone under the authority of this paragraph is designed and maintained in general harmony with residential buildings of the type permitted in the said residential zone; and
- d) any parking and loading regulations are complied with.

4.30 Portable Asphalt Plants

Where in this By-law, a portable asphalt plant is permitted in a particular zone, it shall:

- a) not be located within the townsite of Marathon;

- b) not be located within 400 metres of an existing residential use; and
- c) not be located in an area where severe environmental disruption would occur.

4.31 Prohibited Uses

It shall be prohibited to use any land or to erect and use any building or other structure in any zone for the purpose of wrecking yards, automobile salvage yards, a waste disposal site or processing facility, a pit or quarry, the collection of rags, junk, any refuse, scrap iron, or other scrap metals, an abattoir and an adult entertainment parlour unless such uses are specifically listed as permitted uses within a particular zone.

4.32 Road Frontage Required

No person shall erect any building or structure for permanent, year-round or full-time use unless the lot upon which such building or structure is to be erected, except as otherwise specifically permitted by this By-law, has lot frontage upon a road which has been assumed by the Town, Province of Ontario or some other road authority, and is maintained year round by such authority in such a manner so as to permit its use by vehicular traffic. Notwithstanding the foregoing, a building or structure may be erected upon a lot within a registered plan of subdivision or plan of condominium in accordance with the provisions of a subdivision agreement and/or condominium agreement in respect of such plan by subdivision or condominium notwithstanding that the roads within such plan of subdivision or condominium have not been assumed and are not being maintained by the Municipality.

Notwithstanding anything to the contrary in this clause:

- a) buildings and structures accessory to forestry and mining uses, but not for human habitation are permitted in appropriate zones where publicly maintained road frontage is not available; and
- b) recreational and tourist commercial uses such as hunting and fishing camps are permitted where public road frontage is not available provided there is navigable water access.

4.33 Semi Trailers Parked, Stored or Used as Storage Facilities

The parking or storage of, and/or use of semi-trailers for temporary or permanent storage or warehouse facilities shall be prohibited in any Commercial, Residential, Institutional, Open Space, or Rural zone. Existing semi-trailers that are parked, stored and/or used for storage purposes on any Commercial, Residential, Institutional, Open Space or Rural zone shall be relocated in appropriately designated and zoned Industrial properties and facilities.

4.34 Service Stations, Public Garages and Gas Bars

Notwithstanding any permitted use to the contrary, no new service stations, public garages or gas bars shall be permitted within the Groundwater Protection Zones I and II as determined by the Marathon Groundwater Management Strategy. Where service stations, public garages and gas bars may be permitted they shall be subject to the following:

- a) fuel pumps and fuel pump islands may be located in any required yard, however no portion of any fuel pump island shall be erected closer than 6.0 metres from any road allowance;
- b) the minimum distance from the intersection of the front and side lot line to the nearest ingress or egress ramp shall not be less than 9.0 metres;
- c) the maximum width of a curb ramp at the front or side lot line shall not be more than 7.0 metres;
- d) the minimum distance between the ramps shall not be less than 9.0 metres;
- e) a canopy or roof may be erected over fuel pumps and fuel pump islands or may be extended from the main building to the pump island, however a minimum setback of 3.0 metres is required between the extent of the canopy or the roof and any lot line; and
- f) where the lot is a corner lot, no portion of any canopy or roof shall be located within any sight triangle.

4.35 Services Required

Notwithstanding any other provisions of this By-law, no lands shall be used nor any building or structure erected or used thereon unless:

- a) public sanitary sewer and water services are available and capable of servicing the said land, buildings or structures; or
- b) unless the requirements of the Health Unit or designated authority are met for the use of private water supply and sewage treatment services for the servicing of said land, buildings or structures.

4.36 Setbacks and Lot Frontage Requirements on Provincial Highways

A building or structure in any zone adjacent to a provincial highway is subject to the setback and lot frontage requirements of the Ministry of Transportation which may be greater than municipal requirements. In general, Ministry setbacks for residential uses along a provincial highway is 7.6 metres and all other uses require a 13.7 metres setback and the minimum lot frontage requirements within a 50 km/h speed zone is 31.5 metres and within an 80 km/h speed zone 45 metres for commercial, industrial, institutional and multiple residential uses. The Ministry of Transportation should be consulted for specific setback, lot frontage and access requirements along provincial highways.

4.37 Setback from Navigable and Non-Navigable Watercourses, Hazard Land and Municipal Surface Drains

Notwithstanding any other provisions of this By-law, a building in any zone is required to be no nearer than 15 metres from the top of the bank of any watercourse, or municipal drainage ditch permanent or intermittent, which may or may not be navigable. In the case of hazard lands, no part of any building shall be constructed closer than 15 metres to the nearest point of the area to which the hazardous condition is deemed to exist.

4.38 Setback from Waste Disposal Site

Notwithstanding any other provisions of this By-law, a residential building in any zone is required to be setback a distance of 500 metres from existing and former waste disposal sites.

4.39 Setbacks on Roads

Notwithstanding any other provisions of this By-law, a building or structure in any zone on a public road allowance which is less than 20 metres wide, shall be set back 10 metres plus the required minimum front yard for that zone measured from the centre line of the road allowance.

4.40 Signs

Nothing in this By-law shall apply to prevent the erection or use of any sign, provided that:

- a) such sign complies with any By-law of the Town regulating signs; and
- b) such sign complies with the provisions of this By-law regarding corner lot sight restrictions.

4.41 Special Uses Permitted

Nothing in this By-law shall prevent the use of land or the use or erection of a building or structure for:

- a) a scaffold or other temporary building or structure incidental to construction in progress on premises for which a building permit has been granted, until such time as the work has been finished or abandoned;
