REMINDER! OUTDOOR WATER-USE BYLAW IN EFFECT

Now that the nice weather is upon us we want to remind residents of the Watering Grass By-Law.

Watering restrictions are put in place through a Municipal By-Law to make sure residents water their lawns on appropriate days to lessen the impact on the local water supply during peak times.

What days can you water?
Odd numbered addresses can water on odd calendar days;
Even numbered addresses can water on even calendar days.
