

FOR IMMEDIATE RELEASE

The Corporation of the Town of Marathon Pandemic Planning **COVID-19 Update – Reinforcing Marathon’s Safety Measures**

MARATHON, ON; April 22, 2020 – The Town of Marathon remains diligent in monitoring the situation as it pertains to COVID-19. We continue to evaluate all Public Health Agency communications as well as communications from other Federal and Provincial Government Health Authorities. The health and well-being of our residents is of great importance.

The Emergency Control Group met today to discuss the latest developments in the COVID-19 situation and remind and encourage all residents that Marathon’s Physical Distancing Bylaw and enforcement and municipal facility closures remain in full effect. Staying home and practicing social distancing are still the recommended preventative measures.

“I realize how challenging it is to remain isolated as this pandemic situation carries on and we feel disconnected with family and friends. But by controlling the things that are in our power such as physical distancing, we can do our part to ensure the health and safety of our community and our residents and pull through this together.” Mayor Rick Dumas.

For more information, please contact the Municipal office during the regular business hours of 8:00am to 4:00pm at 229-1340; after hours 229-6125. We encourage our residents to visit our Municipal website (www.marathon.ca) and Municipal Facebook page for updated information.
