

**TOWN OF MARATHON  
NOTICE OF COMPLETION**

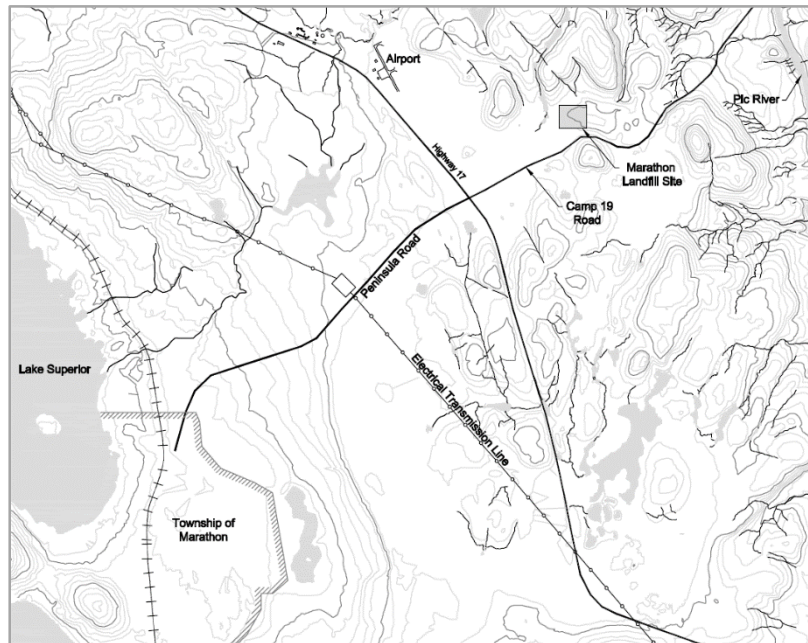

**ENVIRONMENTAL SCREENING PROCESS TO INCREASE THE  
GEOGRAPHIC SERVICE AREA OF THE MARATHON LANDFILL SITE**

The Town of Marathon has completed an Environmental Screening Process (ESP) in accordance with Ontario Regulation 101/07 under the Ontario Environmental Assessment Act to increase the geographic service area of the Town's landfill site located 1 km northeast of Highway 17 in O'Neill Unorganized Township, District of Thunder Bay. The Town is proposing to increase the service area of the landfill to allow for acceptance of waste from Pic River First Nation, Pukaskwa National Park and Heron Bay. The ESP concluded that the project is not expected to result in any significant net effects.

An Environmental Screening Report has been made available for viewing at the Municipal Office located at 4 Hemlo Drive, Marathon, Ontario, and on the Town of Marathon website ([www.marathon.ca](http://www.marathon.ca)). Subject to comments received as a result of this Notice and the receipt of necessary approvals, the Town of Marathon intends to proceed with this project.

Public participation forms an integral part of the study to ensure that comments and concerns are identified, documented and assessed. Under the *Freedom of Information and Protection of Privacy Act* and the *Environmental Assessment Act*, unless otherwise stated in the submission, any personal information such as name, address, telephone number and property location included in a submission will become part of the public records file for this matter and will be released, if requested, to any person.

Members of the public, Aboriginal communities, stakeholder groups, agencies and other interested parties should provide written comment to the Town within 60 calendar days from the date of this Notice. For more information or to provide comments, please contact one of the following:
