### **SOLMIZER:**

This couple has come here today to be joined in marriage.

The essence of this commitment is the taking of another person in his or her entirety as a lover, companion and friend.

It is therefore a decision not to be entered into lightly but rather with great consideration and respect for both the other person and oneself.

\_\_\_\_\_ and \_\_\_\_\_ have invited us to share this celebration as they affirm their love before us, pledge their faith to one another and enter into the joys and privilege of marriage.

Love is one of the highest experiences we human beings can have and it can add depth of meaning to our lives.

The day to day companionship, the pleasure of doing things together or in doing separate things but exchanging experiences, is a continuous and central part of what two people who love each other can share.

Marriage was established that two people might have life-long companionship, that natural instincts and affections might be fulfilled in mutual love, that children should enjoy the security of family life, love and home.

Marriage symbolizes the intimate sharing of two lives, yet this sharing must not diminish but enhance the individuality of each partner.

A happy marriage is one which is continually developing while growing in understanding of the other person.

By growing together in love, it is possible to share not only the joys of life, but the burdens of sorrow as well.

\_\_\_\_\_ and \_\_\_\_\_, your marriage is intended to join you in a relationship so intimate and personal, it will change your whole being.

It offers you the hope and indeed the promise of a love that is true and mature.

To attain such love, you will have to commit yourselves to each other freely and gladly for the sake of a richer and deeper life together.

If any person can show just cause why they may not be joined in marriage, let them speak now or forever hold their peace.
