**Town Of Marathon  
Internal/External Job Posting  
Facility Operator (Temporary Vacancy)**

The purpose of the posting is to fill a short-term temporary vacancy. This position works with the Recreation Operators to perform day-to-day maintenance operations of various recreational grounds and facilities and assumes responsibility in the absence of a Recreation Operator.

This position is encompassed by SEIU Local 2 BGPWU. This position is also open to all Town of Marathon employees, and internal applications will be processed according to the applicable collective agreement before external applications are considered.

**Qualifications:**

- Minimum of grade 12 and 1 year of experience in a related field
- Ability to perform rotating shifts to fulfil the requirements of a seven-day a week operation and ability to work overtime on short notice
- Physically able to perform all activities required within this department (i.e., lifting, climbing, digging, working at heights, etc.)
- Demonstrates capability of operating hand tools and small equipment (lawn mower, snow blower, chain saw, etc.)
- Basic building maintenance skills including routine carpentry and plumbing
- Capable of working in inclement weather and in a team setting
- Demonstrates the ability to communicate effectively with the public and co-workers, handle concerns and complaints in an effective manner, plan and complete work in an efficient self-motivating manner and perform with minimal supervision
- Holds a valid Class "G" drivers license and good driving record
- Holds a valid standard first aid certificate, WHMIS certificate, chainsaw certification and basic fall arrest training
- Basic Refrigeration, Safe Ice Resurfacers, Turf Management, Aquatic Facilities Operations certifications or equivalent experience a definite asset
- Provide a vulnerable sector check satisfactory to the Employer

**Hours of work:** Days, evenings and weekends when necessary

**Rate of Pay:** \$28.29 per hour and 4% vacation pay

Applications indicating "Temporary Facility Operator" as the position being sought must be received no later than **Tuesday, February 19, 2019** by:
