PITCH-IN Canada is dedicated to the preservation and sustainable growth of our natural ecosystems and communities. **PITCH-IN** Canada represents hard working Canadian volunteers and consumers who care about making environmental change in their communities nation-wide, for future generations.

Unhealthy watersheds affect wildlife. The polluted water supply that results can become harmful to humans. Aquatic life quickly suffers the effects of watershed pollution, while new pollutants introduced into ecosystems alter wildlife habitats.

Pitch In runs from 9:00 a.m. to 1:00 p.m.

All bags are to be by the roadside by 1:00 p.m. for pick up.

Clean up any area of Marathon that you like. Just let us know what area so we can pick up the bags.

If you would like to organize a group to address the problem of garbage in some of Marathon's surrounding nature areas, please contact the Community Services & Recreation office in advance at 229-9943.

Bags can be picked up on the following dates:

Saturday, May 11

1:30 – 4:30pm & 5:30 – 7:00pm

Sunday, May 12

1:30 – 4:30pm & 5:30 – 7:30pm

Monday, May 13

10:00am – 12:00pm
